Letter No 22-1481/44 & 2-7-45 from the ml Commr, Rcigs, forwarding for sanction 5 estimates aggregating Rs 3713/- for the works executed in connection with the Viceregal Visit and requests that the estimated amount may be given as a grant by Govt.

The ml Commr has stated that special repairs & improvement works to the extent of more than Rs 10,000/- had been carried out in connection with the Viceregal Visit & that the expenditure was charged to provisions made in the Budget for several works. He further states that the same course was not feasible in the case of the works referred to in the letter & that there is some delicacy in approaching the ml Govt with a request to sanction the above five estimates. He therefore requests to give a grant equal to the aggregate value of the estimates (Rs 3713) for adjusting the expenditure already incurred.

The Financial aspect will also be considered, if agreed.

Submitted for orders. A sum of Rs 25,000/- was granted to the Mysore City Govt in this behalf. (Vide file put up below)

3) The expenditure of Rs 3713/- is stated to have been incurred in connection with the recent visit and February 1915 of HE to be adjusted. The Director states that there is some delicacy in approaching the Board for sanction the above estimate and requests that a sum of Rs 3713/- may be made available by the first allotment as a grant to the Municipality to meet the above charges. The request is also based on the precedent of the grant of a sum of Rs 2500/- to the Municipality on occasion of the visit of HE the Viceroy to Mysore in February 1914 (vide the noting below)

Sir,

Re - Viceregal visit - February 1945 - expenditure incurred by the City - Municipality

I have the honour to state that in connection with the recent Viceregal visit in February last, expenditure to the extent of more than Rs.10,000/- had to be incurred to carry out special repairs and improvements in the City The works were of a very urgent character and there was no time to prepare estimates, much less to obtain the sanction of the Municipal Council thereto Nevertheless the major portion of the expenditure was charged off to maintenance or other estimates already sanctioned by the Municipal Council or for which specific provisions had been made in the sanctioned budget But in the case of the 5 following estimates, this course was not feasible

| | | |
|---|---|---|
| 1 | Tar paint coat to Sankeys Road | Rs 946/- |
| 2 | Tar paint coat to Race Course Rd and the Loop Road | Rs 946/- |
| 3 | Tar paint coat to the Jayamahal Road | 1,113/- |
| 4 | Painting and white-washing name boards and culverts in II Dn | 418/- |
| 5 | -do- 8th Dn | 290/- |
| | Total Rs | 3,713/- |

The estimates for actual expenditure incurred have now been prepared and are sent herewith There is some

delicacy in approaching the Municipal Council with a request to sanction these estimates I request therefore that Government may be pleased to give a grant equal to the aggregate value of these estimates for adjusting the expenditure already incurred. I understand that a substantial grant from the State funds was given to the Mysore City Municipality in connection with the Viceregal visit The favour of ~~x~~, very early orders ~~xxx~~ is requested. The estimates may kindly ` returned with the orders of Government

I have the honour to be.
Sir,
Your most obedient servant,

Municipal Commissione .
